REVENUE MEMORANDUM ORDER NO. 17-2022

SUBJECT : **Prescribing the Policies and Procedures in the Issuance of Tax Credit Certificate Arising from Personal Equity Retirement Account (PERA) and Its Utilization using the ePERA System**

TO : **All Internal Revenue Officials and Employees and Others Concerned**

I. BACKGROUND

To implement the provisions of Republic Act No. 9505, otherwise known as the "Personal Equity and Retirement Account (PERA) Act of 2008", Revenue Regulations (RR) No. 17-2011 was issued. In 2016, Revenue Memorandum Order (RMO) No. 42-2016, as amended, was likewise issued to provide for the guidelines and procedures in the accreditation of PERA Administrators and the processing of applications for the PERA- Tax Credit Certificate (PERA-TCC) as incentives to individuals who made qualified contributions to the PERA.

The Bangko Sentral ng Pilipinas (BSP), as the regulatory agency of the PERA Administrators, operationalized the abovementioned RA provisions and created PERA Contributor's database through an application called "PERASys". This system handles the contributor and account management.

In 2020, BSP helped the Bureau establish a system that will facilitate the receipt of required reports initially submitted through PERASys by PERA Administrators. This is now the **ePERA System**. With the development of the ePERA system, BSP's PERASys was enhanced in such a way that upon registration/enrollment to PERA, a validation facility has been provided thru an application programming interface (API) with ePERA system. Both systems now serve as submission facility for the quarterly/annual report and application for PERA-TCC.

Once the reports submitted by the PERA Administrator were authorized and approved by the BSP for PERA-TCC issuance at the PERASys, the data shall be transferred to the BIR ePERA system, where approval of the reports and the corresponding PERA-TCC shall be handled.

II. OBJECTIVES

This Order is issued to:

1. Provide policies and procedures relative to the processing and issuance of the PERA-TCC using the ePERA system;
   a. To ensure PERA Administrator's compliance to the reportorial requirements
   b. To ensure PERA-TCCs are issued properly and securely
   c. To ensure PERA-TCCs are utilized within limits

1
2. Identify the concerned offices in the BIR that shall be responsible for the processing and approval of PERA-TCC; and

3. Prescribe procedures that shall be followed by concerned BIR offices in the monitoring of fully or partially utilized PERA- TCCs.

III. POLICIES

1. The ePERA system shall manage the proper administrative reporting of PERA transactions involving contributions, income, withdrawals and/or terminations using simplified and uniform formats for a coordinated monitoring of tax privileges and incentives granted to qualified PERA contributions under Report Compliance Module.

   The following are the reports to be submitted by the PERA Administrator under the Report Compliance module of the ePERA system:

No.	Name of Report	Due Date of Submission	Format

3. Late submission and non-submission of required reports shall be subjected to penalty imposition. However, payment of penalty shall not exonerate the PERA Administrator from complying with the submission of the required reports.

   The compromise penalties under the existing revenue issuances shall be imposed for each and every case of non-submission or late submission of required reports during a taxable year by PERA Administrator. For this purpose, failure to supply any of the required reports shall constitute a single act of omission.

4. The received application in batch for PERA-TCC using BIR Form 2338 (Annex E) and BIR Form 1942 (Annex F) submitted by the PERA Administrator within sixty
(60) days from the close of the calendar year through the PERASys, shall be processed by the PERA Processing Office using ePERA System's Tax Credit Application Module and endorsed to the Commissioner or his authorized representative, for approval.

   In cases of employers who contribute a share to the account of their qualified employee, only the latter can request for the issuance of PERA-TCC. On the other hand, the employers may obtain from the PERA Administrator the Certificate of Aggregate Amount of Qualified PERA Contribution (BIR Form No. 2338) for their employees with regard to their share on the qualified contributions. The employers may claim as a deduction from gross income their share, but only to the extent of the employer's contribution that would complete the maximum allowable PERA contribution of an employee.
